APPLICATION FOR AMENDMENT OF POLLUTION CONTROL PERMIT 321-P, PURSUANT TO SEC. 6 OF POLLUTION CONTROL ACT 1967

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) or (3) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

Village of Tahsis, of Box 396, Tahsis, B.C., hereby applies for an amendment, as described below, to Pollution Control Permit 321-P, granted on January 22,

1970, to authorize discharge of treated domestic sewage to the Tahsis River.

To amend the quantity to be discharged by deleting those words of Item (b) which read "an average of 75,000 gallons per day," and substituting therefor the words "a maximum of 360,000 imperial gallons per day."

The purpose of the foregoing amendment is to reflect the increasing quantity of flow since the issue of the current permit, and to make provision for the upgrading of the existing sewage-treatment plant by doubling its capacity should there be any significant further increase in flow. This would not necessitate a further out-flow point.

I, J. E. Hiebert, Administrator, hereby certify that a copy of this application has been received by the Regional District of Comox-Strathcona.

This application, dated on the 27th day of May 1977, was posted on the ground in accordance with the Pollution Control Regulations.

BETWEEN:

(hereinafter called the "Grantor")
OF THE FIRST PART
AND THE CITY OF PRINCE GEORGE, a municipal corporation, having its municipal offices at 1100 Patricia Boulevard, in the City of Prince George, in the Province of British Columbia (hereinafter called the "Grantee")

OF THE SECOND PART
WHEREAS the Grantor is the registered owner or is entitled to become the registered owner of an estate in fee-simple of all and singular those certain parcels or tracts of land and premises situate, lying, and being in the City of Prince George, in the Province of British Columbia, and being more particularly known and described as:

(hereinafter called the "Lands of the Grantor"):
And whereas, to facilitate the establishment, construction, operation, maintenance, repair, extension, alteration, or improvement of a system or systems of waterworks for the distribution of water the Grantor has agreed to execute these presents:

NOW, THEREFORE, THIS AGREEMENT WITNESSETH that, in consideration of the sum of one dollar (\$1) of lawful money of Canada, now paid by the Grantee to the Grantor (the receipt and sufficiency of which is hereby acknowledged by the Grantor), and in consideration of the covenants and conditions hereinafter contained to be observed and performed by the Grantee and other valuable consideration:

1.0 THE GRANTOR DOTH HEREBY:

1.1 Grant, convey, confirm, and transfer, in perpetuity, unto the Grantee the full, free, and uninterrupted right, licence, liberty, privilege, permission, and right-of-way to lay down, install, construct, entrench, operate, maintain, inspect, alter, remove, replace, bury, use, and otherwise establish one or more systems of waterworks for the distribution of water, including, without in any way limited the generality of the foregoing, one or more water wells, pump houses, and all attendant works thereto upon, over, under, and across part or parts of the Lands of the Grantor as shown outlined in red on Plan 23319 deposited in the Prince George Land Registry Office (hereinafter called the "Perpetual Right-of-way"):

1.2 Covenant and agree to and with the Grantee that for the purposes aforesaid and upon, over, under, and across the Perpetual Right-of-way the Grantee shall for itself and its servants, agents, workmen, contractors, and all other licensees of the Grantee, together with machinery, vehicles, equipment, and materials, be entitled at all times to enter, use, pass and repass, labour, dig, carry away soil or other surface or subsurface materials, clear of all trees, growth, buildings, or obstruction now or hereafter in existence, as may be necessary, useful, or convenient in connection with the operations of the Grantee:

1.3 Grant, convey, confirm, and transfer unto the Grantee for itself, and its servants, agents, workmen, contractors, and all other licensees of the Grantee, together with machinery, vehicles, equipment, and materials, the right at all reasonable times to enter upon and to pass and repass over such of the Lands of the Grantor as may reasonably be required for the purpose of ingress to and egress from the Perpetual Right-of-way.

2.0 THE GRANTOR HEREBY COVENANTS TO AND AGREES WITH THE GRANTEE, as follows:

2.1 That the Grantor will not, nor permit any other person to erect, place, install, or maintain any building, structures, mobile home, concrete

driveway or patio, pipe, wire, or other conduit on, over, or under any portion of the Perpetual Right-of-way so that it in any way interferes with or damages or prevents access to, or is likely to cause harm to systems authorized hereby to be installed in or upon the Perpetual Right-of-way;

2.2 That the Grantor will not do nor knowingly permit to be done any act or thing which will interfere with or injure the said systems and in particular will not carry out any blasting on or adjacent to the Perpetual Right-of-way without the consent in writing of the Grantee, provided that such consent shall not be unreasonably withheld;

2.3 That the Grantor will not substantially diminish the soil cover over any of the systems installed in the Perpetual Right-of-way and, in particular, without in any way limiting the generality of the foregoing, will not construct open drains or ditches along or across any of the systems installed in the Perpetual Right-of-way;

2.4 That the Grantor will from time to time and at all times upon every reasonable request and at the cost of the Grantee do and execute or cause to be made, done, or executed all such further and other lawful acts, deeds, things, devices, conveyances, and assurances in law whatsoever for the better assuring unto the Grantee of the rights hereby granted.

3.0 THE GRANTEE HEREBY COVENANTS TO AND AGREES WITH THE GRANTOR, as follows:

3.1 That the Grantee will not bury any debris or rubbish of any kind in excavations or backfill, and will remove shoring, and like temporary structures as backfilling proceeds:

3.2 That the Grantee will thoroughly clean all lands to which it has had access hereunder of all rubbish and construction debris created or placed thereon by the Grantee and will leave such lands in a neat and clean condition:

3.3 That the Grantee will, as soon as weather and soil conditions permit, and so often as it may exercise its right of entry hereunder to any of the Lands of the Grantor, replace the surface soil as nearly as may be reasonably possible to the same condition as it was prior to such entry, in order to restore the natural drainage to such lands; provided, however, that nothing herein contained shall require the Grantee to restore any trees or other surface growth, but the Grantee shall leave such lands in a condition which will not inhibit natural regeneration of such growth:

3.4 That the Grantee will, as far as reasonably possible, carry out all work in a proper and workmanlike manner so as to do as little injury to the Lands of the Grantor as possible:

3.5 That the Grantee will make good at its own expense all damage or disturbance which may be caused to the surface soil of the Lands of the Grantor in the exercise of its rights hereunder.

4.0 THE PARTIES HERETO EACH HEREBY COVENANT TO AND AGREE WITH THE OTHER, as follows:

4.1 The said systems referred to in paragraph 1.1 above, together with all pipes, valves, conduits, casings, fittings, lines, meters, appliances, attachments, or devices used in connection therewith shall constitute the "Works" (and are hereinbefore and hereinafter so described):

4.2 Notwithstanding any rule or equity to the contrary, the Works brought onto, set, laid, erected in, upon, or under the Perpetual Right-of-way by the Grantee shall at all times remain the property of the Grantee notwithstanding that the same may be annexed or affixed to the freehold and shall at any time and from time to time be removable in whole or in part by the Grantee:

4.3 In the event that the Grantee abandons the Works or any part thereof the Grantee may, if it so elects, leave the whole or any part thereof in place:

4.4 That no part of the title in fee-simple to the soil shall pass to or be vested in the Grantee under or by virtue of these presents and the Grantor may fully use and enjoy all of the Lands of the Grantor subject only to the rights and restrictions herein contained;

4.5 That the covenants herein contained shall be covenants running with the land and that none of the covenants herein contained shall be personal or binding upon the parties hereunto, save and except during the Grantor's seisin or ownership of any interest in the Lands of the Grantor, and with respect only to that portion

of the Lands of the Grantor of which the Grantor shall be seised or in which he shall have an interest, but that the Lands of the Grantor, nevertheless, be and remain at all times charged therewith:

4.6 If at the date hereof the Grantor is not the sole registered owner of the Lands of the Grantor, this Agreement shall nevertheless bind the Grantor to the full extent of his interest in fee-simple, this Agreement shall likewise extend to such after-acquired interests:

4.7 Where the expression "Grantor" includes more than one person, all covenants herein on the part of the Grantor shall be construed as being several as well as joint:

4.8 This Agreement shall enure to the benefit of and be binding upon the parties hereto and their respective heirs, administrators, executors, successors, and assigns, as the case may be, and wherever the singular or masculine is used it shall be construed as if the plural or the feminine or neuter, as the case may be, had been used, where the parties or the context hereunto so require and the rest of the sentence shall be construed as if the grammatical and terminological changes thereby rendered necessary had been made.
